

Directions: Practice address at the Neuhofstrasse 3D in 6340 Baar

My practice sits in the commercial zone of Baar. The red building with the flat roof stands out. The entrance to the building is on the **right-hand side**. You will find me on the second floor. Please enter! Here is the waiting area where I'll meet you.

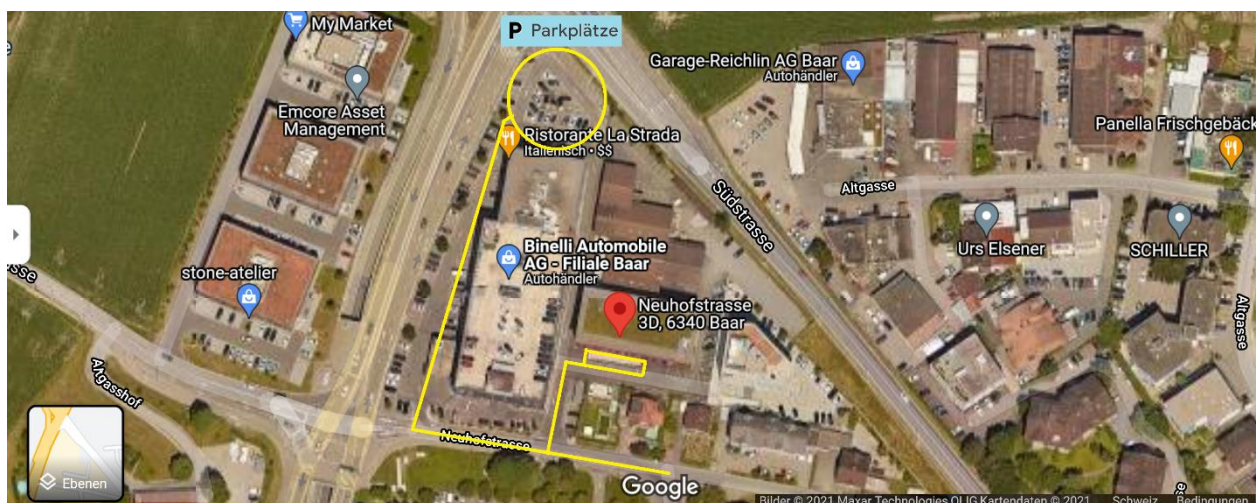

You can reach me either by **car** or public **transport**. The location is close to the Baar highway exit. The building has a limited number of visitor parking spaces. Alternatively, there are plenty of parking spaces available to the left of the red building – a parking fee applies. In order to reach the parking area drive past the red building on Neuhofstrasse and immediately turn right after the next building – a sign pointing to the Restaurant La Strada leads the way.

If you arrive by public transport, take the **S-Bahn** to the Neufeld station, then continue on foot to Neuhofstrasse. Allow yourself 5-8 minutes for the walk. Alternatively take **bus number 36** from Baar train station or starting in Sennweid, Steinhausen, to the *Metro stop*, from where you can easily make out the red building.
